Dear Sir/Madam,

INVITATION FOR SCHOOL STUDENTS TO PARTICIPATE IN 2024 INTERNATIONAL G-LEAD TRAINING PROGRAMME AND COMPETITIONS

On behalf of OBS Academy, we are delighted to invite your students / children to register and participate in our International G-Lead (Global Leaders) Training Programme and Competitions.

G-Lead is a programme that inspires our young generation, from the ages of 12 – 18, to develop themselves as young leaders. G-Lead promotes leadership values and ethics such as trust, dedication, integrity, accountability, fairness, respect, transparency and honesty. Through its platform called International Linkage Community (ILC), the G-Lead programme gathers participants from all over the world to interact and understand people of different backgrounds, cultures and ways of life. In other words, G-Lead fosters education for international understanding.

In partnership with the universities in Malaysia, we are looking forward to hosting our upcoming programme for your students/children, who will be accompanied by their teacher supervisors:

Dates : 26 April 2023 – 03 May 2024
Venue : Kuala Lumpur, Malaysia

We are also extending our invitation to parents who wish to accompany their children to register with us and we offer a splendid experience in exploring the vibrant Kuala Lumpur and its nearby places of interest. For further information on the programme, please refer to our official website: www.myglead.com. You may also download relevant information documents from the website.

We look forward to meeting everyone for the training programme and competitions.

Thank you.
